Whitney Houston

Her drug addiction, marriage breakdown and faith in God

After a long absence from music, Whitney Houston is staging a much-hyped career comeback which began with an appearance on *The Oprah Winfrey Show*.

Viewers heard about everything: her relationship with Bobby Brown, her daughter, her career, and drugs. In spite of all the chaos in her life, as Whitney explains in the interview, she's always had faith in God.

2010 Global Day Of Prayer

2011 Global Day Of Prayer

Exclusive

Organisers have taken a bold step to secure West Ham Stadium for an unprecedented gathering, the 2010 Global Day of Prayer. The worldwide event is scheduled for Sunday on 30 May 2010. An "army" of Christians, through a network of churches across London, the M25 and beyond are getting ready to meet and pray for their city and nation.
