The vision of Global Day of Prayer London is to see 1 million Christians in the capital and across the nation mobilised in daily prayer. To envision churches to engage in united continuous corporate prayer. To coordinate city wide prayer and mission gatherings in major venues in 2010 and 2011.

West Ham Stadium has been booked for Sunday 30<sup>th</sup> May 2010; exactly one week after Pentecost. And ***We are expectant that we will fill West Ham with 30,000 Christians caught up in prayer, worship and mission.***

With that in mind we are inviting Leaders from All churches & Organisations in and around London, to a special Leaders Reception on Thursday 11<sup>th</sup> February 2010, 6.30pm at West Ham Stadium Green Street, Upton Park, London E13 9AZ.

We have invited a Guest Speaker from a leading evangelistic organisation and this time will be spent unpacking the vision of Prayer & Mission and how we would like to mobilise the church into action.

We do hope you can come, but if your diary is full, please do send someone on your behalf, to this strategic meeting.

Could you please confirm your attendance by no later than the 31<sup>st</sup> January 2010, for catering purposes either Tel: 08456 528 600 or Email: [Info@gdoplondon.com](mailto:Info@gdoplondon.com)
